Little Ones Grieve Too!

Kisses for Heaven

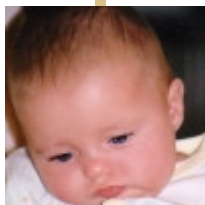

Materials needed:

- Face painting makeup or lipstick*
- A wooden shape or paper*

Allow your child to paint or color on the wooden cut out (or paper). Help them make a special design just for their sibling. Paint their lips with the make up and allow them to make kisses all over the cut out. Seal the cut out with an outdoor sealant and allow them to leave the kisses in a special place. This could be their siblings grave, or a memorial garden, or hanging in their bedroom window. (Simply glue a string or ribbon to the back side. to create a hanging kiss).
